XERO TAKES THE 'DREAD' OUT OF BOOKKEEPING

Online bookkeeping with Xero fundamentally changes how you work.

Xero customers have real-time access to their current financial position. It's designed to simplify and automate small business management, while making it easy to collaborate online with us. Automated data feeds from your bank and access, anytime, from anywhere, will transform your business.

Xero can be used by any authorised user on any system - Mac, Windows, iPhone, Android, Blackberry. Since Xero runs online, you don't have to worry about installing software or storing backups, that's all done for you automatically.

We have assessed and analysed a number of cloud accounting software solutions and have found Xero to be the most effective. It saves time, enabling you to focus on other areas in the business. No more USB sticks or requirements to transfer data files. We simply log on and work from the same file as you do.

Contact us for further information and to discuss the cloud accounting packages, that can be tailored to your requirements. Alternatively visit www.mulcahy.com.au/cloud to download our cloud accounting information.

We offer a free no obligation meeting to review your situation. Call us today on 03 5330 7200 and take advantage of this valuable offer.
